THE ARBONNE DIFFERENCE

Plant-powered, nutrient-rich products developed in partnership with experts and validated by science to support a holistic approach to healthy living. MIND. BODY. SKIN.™

HOW TO USE

Add 1 scoop to 8 fl. oz. of a cold or room temperature liquid. Take with food. Do not exceed the recommended daily intake of 1 scoop per day.

NOTE: Pregnant or lactating women and people with known medical conditions should consult with a physician prior to taking supplements. Do not use if safety seal is broken or missing. **Keep out of reach of children.**

KEY INGREDIENTS & BENEFITS

- Vitamin C, a powerful antioxidant derived from ascorbic acid and acerola cherry, plays a key role to help protect cells from oxidative stress in times where extra support is needed from seasonal and environmental threats[†]
- Vitamin D3, sourced from lichen, helps to support bone and teeth health[†]
- Zinc helps to quench free radicals, providing cellular protection and helping to maintain healthy skin[†]
- Beta carotene, with Vitamin A, helps to maintain eyesight and skin membranes[†]
- Vitamin E, derived from sunflower, helps to protect cells from oxidative stress[†]
- B-Vitamin complex supports the metabolism of fats, carbohydrates and proteins; helping to balance energy, metabolism and the nervous system along with cognitive functions such as memory and emotional wellbeing[†]
- Thiamin, derived from thiamin hydrochloride and quinoa sprouts, provides energy balance; helping to support and maintain cardiovascular health and the nervous system[†]
- Folate, derived from methyltetrahydrofolate and quinoa sprouts, helps with maintaining cognitive function as well as provides cellular and neural support[†]
- Calcium, sourced from marine algae harvested from the North Atlantic seabed, helps to support bone and joint health while also promoting healthy muscle, nerve and enzyme function[†]
- Magnesium, sourced from magnesium hydroxide and seawater, helps the body to metabolize fats, carbohydrates and proteins; helping to maintain proper muscle function and tissue formation[†]
