

GUTHEALTH PREBIOTIC FIBER

Fiber is a must for healthy digestion. Essential for promoting gastrointestinal health, regularity, and healthy glucose levels already within normal range, each serving of this vegan, gluten-free dietary supplement provides 12 grams of soluble fiber (nearly half the recommended daily allowance!) and prebiotic Chicory Root inulin*. Designed to maintain healthy living through a healthy gut, this vegan dietary supplement can be added to hot or cold drinks, food, and smoothies, making it easy to incorporate more fiber into your diet. Formulated without artificial colors, flavors or sweeteners; formulated without high-fructose corn syrup, dairy or soy. **Previously known as Arbonne Essentials® Daily Fiber Boost.**

Net wt. 16.9 oz. (1 lb. 0.9 oz.), 480 g, #2075

FEATURES

- Delivers 12 g of soluble fiber in each serving, representing nearly half of the recommended daily allowance
- Heat-resistant blend of gluten-free grain and fruit fibers can be added to hot or cold food, beverages, or baked goods without changing the flavor or texture of the food
- Made from Arbonne's soluble blend of peas, apples, citrus fruits, and beet fiber supplemented with non-GMO maltodextrin fiber

THE ARBONNE DIFFERENCE

Plant-powered, nutrient-rich products developed in partnership with experts and validated by science to support a holistic approach to healthy living. MIND. BODY. SKIN.™

HOW TO USE

Add 1 scoop to your favorite drink or food. Do not exceed the recommended daily intake of 2 servings (2 scoops) per day.

NOTE: Pregnant or breastfeeding women, those with a medical condition, and those taking medication should consult with a healthcare professional before use. Do not use if pouch is torn or open. **Keep out of reach of children.**

KEY INGREDIENTS & BENEFITS

- Arbonne Fiber Source Blend:
 - Supports gastrointestinal health, regularity, and healthy glucose levels already within a normal range*
 - Promotes satiety, helping you to feel full when included as part of a balanced meal plan*
 - Helps support the cardiovascular system*

TIPS

For best results, remember that everyone's body is different. Initially, you may find a gradual increase helps your digestive system adjust more comfortably. Start with 1/4–1/2 scoop per day and slowly increase to a full serving as your body adjusts.
