

TRUESPORT WORKOUT FUEL ORANGE PINEAPPLE FLAVOR

Support your exercise. The right pre-workout dietary supplement can help boost endurance and performance while supplying the nutrients and antioxidant ingredients muscles need during physical exertion. Our unique dietary supplement helps promote endurance during extended high-intensity exercise[†] and includes a botanical blend of Cayenne, Ginseng and Turmeric to help support circulation, joints and physical performance. With an antioxidant blend of Vitamins A, C and E, plus Carnitine to assist with breaking down fat and converting it to energy[†], this pre-workout dietary supplement is designed to help you feel your best as you pursue your fitness goals – and it has an amazing Orange-Pineapple flavor. Formulated without artificial colors, flavors or sweeteners; formulated without high-fructose corn syrup, dairy, or soy. **Previously known as Arbonne PhytoSport® Prepare & Endure.**

20 stick packs – 0.6 oz. / 16.4 g each, Net wt. 11.6 oz. / 328 g, #6099

FEATURES

- Supports nitric oxide production to support oxygen delivery to working muscles[†]
- Supports healthy blood flow and helps promote endurance in extended high-intensity exercise[†]
- Features an antioxidant blend consisting of Vitamins A, C and E as well as amino acids L-arginine, L-citrulline, and L-carnitine tartrate
- Orange-Pineapple flavored supplement that can be added to water and consumed before or during exercise
- Formulated for men and women 18 and older to support all levels of activity or competitive performance

THE ARBONNE DIFFERENCE

Plant-powered, nutrient-rich products developed in partnership with experts and validated by science to support a holistic approach to healthy living. MIND. BODY. SKIN.™

BSCG CERTIFICATION

Banned Substances Control Group (BSCG) tests for more than 207 drugs banned by sporting groups including WADA, NFL, MLB, NHL, NBA, MLS, PGA, LPGA, NCAA, and is the only certification provider to cover an additional 185 prescription and over-the-counter drugs not banned in sport. BSCG also regularly tests products for label verification, identity, and contaminants, and audits manufacturers for Good Manufacturing Practices (GMP) compliance.

KEY INGREDIENTS & BENEFITS

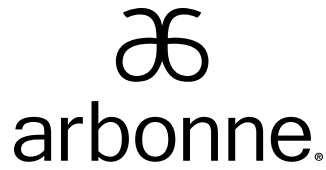

- Contains TrueSport Blend to support joints, circulation and physical performance[†]
- Carnitine is an essential component of “the carnitine shuttle,” or the transport of fatty acids through the membranes of the cells to be burned for energy; assists with breaking down fat and converting it to energy[†]
- Ribose supports athletic performance by boosting muscle energy[†]
- Arginine and citrulline help support nitric oxide levels that help support blood flow, which in turn helps transport oxygen and nutrients to tissues, as well as transport waste products away from tissues to be excreted[†]
- Vitamin B-12 helps support red blood cell formation and energy[†]

HOW TO USE

Mix well or shake 1 stick pack (16.4 g) with 16 fl. oz. of water prior to or during exercise. Do not exceed the recommended daily intake of 1 stick pack per day.

NOTE: Pregnant or breastfeeding women, those with a medical condition, and those taking medication should consult with a healthcare professional before use. Do not use if outer seal is broken or missing or if packet is torn or open. **Keep out of reach of children.**
